Billing & Insurance Policy Patient Consent Form

Financial responsibility for services rendered rests with the patient/guarantor, regardless of any insurance coverage. Dr. Bryant files insurance claims as a courtesy, however, your insurance is ultimately your responsibility and this courtesy filing in no way reduces your financial responsibility for the services rendered.

We participate with many HMOs, insurance companies, as well as other medical plans and will direct bill your insurance under these plans. We will bill these plans for whom we have an arrangement and will only require our patients to pay the authorized copayments, deductible, coinsurance, and fees for services which are non-covered under their policy. It is our office policy to collect all copayments on the day of the appointment. Again, in the event that the patient's health plan deems a service to be "non-covered", the patient will be responsible for the entire charge for that non-covered service. Payment will be due upon receipt of a statement from our office.

We will bill the patient's health plan for physician services at the surgical center. The same financial responsibilities apply.

Prior Authorization/Pre-Certification:

Many HMO plans and insurance companies require you to obtain authorization for your services from your primary care provider (Internist, Family Practitioner, Pediatrician, etc.). It is your responsibility to obtain authorization from your primary care provider (PCP). This is required by your insurance before you visit our office, even when the visit is for an urgent problem. Contact your insurer if you have questions, or contact the office of your PCP. Obtaining this referral/prior authorization is your responsibility and failure to do so will result in non-coverage of our services by your insurance carrier. By signing this form you accept responsibility for payment of any and all fees not covered by your insurance company/HMO due to failure to obtain pre-certification/prior authorization.

Medicare:

We are participating providers under Medicare. This means that we accept the fees set by Medicare for medical services covered by the Medicare program and rendered to a Medicare recipient, including surgery. Medicare patients will be responsible only for coinsurance payments, deductible and non-covered services, such as preventive and routine services.

Acknowledgment of Non-Coverage of Services by Insurance Carrier:

By signing below you are acknowledging that you assume full financial responsibility for today's services should your insurance carrier deny any or all of our charges. Regardless of our participation with your insurance carrier/HMO you agree that you will pay all expenses should your carrier deny our services for any reason.

I full understand that Dr. Bryant will be filing my insurance claim for me as a courtesy. This courtesy filing in no way reduces my financial responsibility for these services.

My signature below indicates that I have read this form in its entirety and any questions that I may have had regarding any of these policies have been answered to my satisfaction.

Medicaid:

We are NOT a participating provider under Medicaid. This means that we DO NOT accept any form of Medicaid as a primary or secondary insurance. If you do have Medicaid, and do not make the office staff aware, you will be responsible for any balance due on your account.

My signature below indicates that I fully understand that Augusta Podiatry, P.C. does not accept Medicaid and that I do not have Medicaid as a primary or secondary insurance.

Payments and Collections

Payments of all copays, deductibles, and/or coinsurance are due at the time of service. As a service to you, our office will bill your insurance company. Being a participating provider with most insurance companies, the insurance companies require that we collect these fees, as they are terms of your health care contract. **Additionally, patients are ultimately responsible for all balances.**

For your convenience, we accept credit cards including: Visa, MasterCard, Discover, AMEX, Cash or Check.

Due to the constant changes in health insurance, it is your responsibility to know your health coverage. If you should have any questions regarding if a certain procedure is covered, it is to your advantage to call your insurance company and find out exactly what your contract covers. Their customer service representatives will be happy to assist you.

In the event, that part or all your account is turned over to a collection agency for non-payment, you will be charged a **35%** collection fee. The collection fee is **50%** if it goes to court.
